Subject: DFARS Specialty Metals Certification

To Whom It May Concern:

Butler Inc. certifies that within the calendar year 2008 more than 50% of our purchases of “specialty metals” as defined by 10 USC 2533b are or will be made from domestically melted “specialty metal”. Therefore, we consider the commercial fasteners produced by our company to be in compliance with 10 USC 2533b(h)(3).

Applicable supporting documentation is available upon request.

If you have any questions or need additional information, please feel free to contact us.

Sincerely,

John Hollern  
President  
Butler Inc.
