

January 28, 2015

To whom it may concern:

Monogram Aerospace Fasteners certifies that within the calendar year of 2015, an excess of more than fifty percent (50%) of our purchases of "specialty metals," as defined by 10 USC 2533b, are or will be made from domestically melted "specialty metals." Therefore, we consider the commercial fasteners manufactured by our company to be in compliance with 10 USC 2533b(h)(3).

Applicable documentation supporting this claim will be made available to the appropriate parties upon submittal of a written request. Documentation will be sent within thirty (30) days of receipt. Thank you.

Sincerely,

Michelle Mullin
