Subject: DFARS Specialty Metals Fastener Self Certification

To Whom It May Concern:

Saturn Fasteners, Inc. certifies that within the calendar year 2017, significantly more than 50% of our purchases of "specialty metals," as defined by DFARS 252.225-7009 are and will continue to be made from material melted domestically or in a qualifying country, in accordance with DFARS 225.003.

When specified by print or contract, only this material is used in the manufacture of the product.

Applicable documentation supporting this will be made available to appropriate parties within 30 days upon submittal of a written request.

Therefore, we consider the fasteners produced by our company to be in compliance with DFARS 252.225-7009, that is, "DFARS Compliant."

Respectfully,
