

TWIST TITE

Date: January 18, 2022

Subject: “Specialty Metals” Certification

To: Whom it may concern,

This is to inform you and your organization that Twist Tite Manufacturing certifies that within the calendar year 2022 more than 50% of our ‘Specialty materials’ purchases as defined by 10 USC 2533(h)(3) for the commercial fasteners produced by Twist Tite Manufacturing are and will continue throughout the year to be made from domestically melted specialty materials.

Therefore, please accept this certification as our notification of compliance with 10 USC 2533(h)(3) for the commercial fasteners produced by Twist Tite Manufacturing.

Applicable supporting documentation will be made available to appropriate parties upon request with 30 days’ notice.

Best regards,
