RE: "Specialty Metals" Certification

To Whom it May Concern:

Air Industries Company certifies that within the calendar year of 2010, more than 50% of our purchases of "Specialty Metals" as defined by 10 USC 2533b are or will be made from domestically melted "specialty metal". Therefore, we consider the commercial fasteners produced by our company to be in compliance with 10 USC 2533b(h)(3).

Applicable supporting documentation will be made available to appropriate parties upon request with 30 day notice

If you have any further questions, please feel free to contact us at any time.

Sincerely,
