To Whom It May Concern:

Subject: DFARS Specialty Metals Fastener Self Certification

LISI AEROSPACE, Hi-Shear Corporation, certifies that it will purchase during the calendar year of 2011, an amount of domestically melted or produced specialty metal in the required form for use in the production of fasteners for sale to DoD and other customers that is not less than 50 percent of the total amount of the specialty metal that LISI AEROSPACE, Hi-Shear Corporation will purchase to carry out production of such fasteners for all customers. Therefore we consider the commercial fasteners produced by our company to comply with deviation exemption (Deviation Number 2008-00002 entitled "Restriction on Acquisition of Specialty Metal") to DFARS 225.7014.

Applicable supporting documentation will be made available to appropriate parties upon written request with 30 days notice.

Respectfully,

A handwritten signature in blue ink that reads "Susan Cravens".
