Subject: DFARS Compliance – “Specialty Metals” Certification

To Whom It May Concern:

SPIROL International Corporation certifies that within the calendar year of 2009, more than 50% of our purchases of “specialty metals” as defined by 10 USC 2533b are or will be made from domestically melted “specialty metals.” Therefore, we will consider the commercial fasteners produced by our company to comply with 10 USC 2533b (h)(3).

Applicable supporting documentation will be made available to appropriate parties upon request and purchase order.

Please feel free to contact me regarding any questions you may have.

Best Regards;
