To Whom It May Concern:

Pilgrim Aerospace Fasteners hereby certifies that during the calendar year 2025, more than 50% of our purchased "specialty metals" (as defined in DFARS 252.225.7009(a)(12)) used in the manufacture of fasteners are—or will be—sourced from domestically melted or produced specialty metals in accordance with DFARS 252.225.7009(c)(3). Consequently, the commercial fasteners produced by our company are deemed to be fully in compliance with DFARS 252.225.7009(c)(3) ("DFARS Compliant").

Sincerely,
